

# ABHYUDAYA 25 Silver Screen

---

## Event Overview:

The Reel Making Competition provides participants an opportunity to creatively capture live moments of the event through short video reels. Participants will plan, shoot, and edit their reels on the spot, showcasing event highlights, surroundings, and interactions while following the given theme and time limit.

## Objective

The purpose of the *Event Interview Reel Making Competition* is to inspire participants to creatively capture and communicate highlights of the event through short, engaging video reels. This competition encourages storytelling through visual content, promotes on-the-spot creative thinking, and highlights event interactions, surroundings, and participant experiences.

Participants will demonstrate:

- Creativity in conceptualizing visual stories
- Ability to use video and sound effectively
- On-the-spot production skills
- Engagement with real event moments

## Team Size

### Individual participation

## Rounds

- The competition will be conducted **live during the event**.
- At the start, participants will be informed about the **theme, rules, and time limit**.
- Participants must then **plan their concept**, keeping the theme in mind.

- They will **record videos on the spot** at the event venue, covering:
  - Event posters and banners
  - Stalls, stage activities, and sessions
  - Interviews, interactions, and candid moments
  - Surrounding event environment
- After recording, participants will **edit the reel within the given time** using their own devices.
- Once editing is complete, the **final reel must be submitted** within the announced deadline.
- Reels will then be **screened and evaluated** by the judging panel based on the prescribed criteria.
